THE PROMISE

One of the beautiful promises in the Bible is that God will supply every need we have. In Philippians 4:19, it says, "And my God will supply every need of yours according to his riches in glory in Christ Jesus."

Heavenly Father,

I come before you this morning with gratitude in my heart. Thank you for the gift of this new day and for the opportunity to run my business with your guidance and provision.

As I start this day, I hold onto the promise of your Word in Philippians 4:19, that you will supply every need of mine according to your riches in glory. I trust in your faithfulness and provision, knowing that you are my ultimate source of abundance.

Lord, I surrender my business into your hands. I acknowledge that it is not by my own strength or efforts alone that I can succeed, but through your grace and provision. Help me to be a good steward of the resources you have entrusted to me, and grant me wisdom in making sound financial decisions.

In moments of uncertainty or fear, I choose to let faith take over. I release any scarcity mindset and embrace the abundance that you have in store for me. Fill me with confidence and trust in your provision, knowing that you are faithful to meet my needs.

As I go about my day, guide me to make choices that align with your will and bring glory to your name. Open doors of opportunity, connect me with the right people, and bless the work of my hands.

May my business be a vessel for your love and grace. Help me to serve others with integrity, generosity, and compassion. Teach me to give generously, knowing that as I sow, I will also reap blessings in abundance.

Thank you, Lord, for being my source of provision and for walking with me on this entrepreneurial journey. I surrender my business and its outcomes into your loving care. May your will be done in all that I do.

In Jesus' name, I pray,

Amen.

BALANCING FAMILY AND BUSINESS

Dear God,

I come before you today with a humble heart, seeking your guidance and strength. I acknowledge my mistakes and shortcomings, realizing that my sacrifices have not yielded the desired outcomes. I understand now that I have been blinded by pride and self-indulgence, focusing on trivial pursuits rather than fulfilling my duties as a parent.

I ask for your forgiveness and wisdom to discern the right path. Help me to shift my motivations and priorities, so that the driving force behind my business endeavors becomes the well-being and future of my children. Let my work be a means to provide for them, to offer financial support and security that they need.

Please, Lord, instill in me a sense of urgency and responsibility. Remind me that every moment spent on my business should directly benefit my children. Grant me the discipline and motivation to work diligently and efficiently, ensuring that I am fulfilling my calling as a parent and as a provider.

If I find myself procrastinating or losing sight of my purpose, prompt me to redirect my focus and invest my time and energy into being loving and present. Help me to love them, guide them, teach them, and be the best parent I can be through both conventional means and the financial support I can provide.

Lord, I know that with your guidance and the presence of Jesus Christ by my side, I can find the motivation and strength to fulfill my responsibilities. Thank you for your love, forgiveness, and the opportunity to make amends. May my actions align with your will and bring blessings to my family.

In Jesus' name, I pray.
Amen.
